2023/2024 FUTSAL GUIDE

**OHIO'S GUIDE TO FUTSAL TRAINING, TEAMS,
TOURNAMENTS AND LEAGUES**

WWW.OHIOSOCCERMOMSANDDADS.COM

Dear Ohio Soccer Moms and Dads,

We are thrilled to introduce the **Ohio Soccer Moms and Dads Futsal Guide**, a valuable resource to enhance your child's soccer journey. Futsal, a unique sport similar to soccer that can be played year round, emphasizes skillful play, quick decision-making, and close ball control. As futsal gains momentum in Ohio, our guide brings together futsal programs across the state, covering specialized training, clubs, leagues, and tournaments.

Futsal offers significant benefits, including enhanced skills and confidence, quick decision-making, improved fitness, and leadership development. It provides an ideal year-round option for young athletes when outdoor soccer is limited due to Ohio's climate. Renowned figures in Ohio's soccer community have attested to futsal's transformative impact on player development.

We encourage you to explore the Futsal Guide with your child to discover the unique futsal programs available near you and throughout the region.

Thank you for your dedication to your child's soccer journey. We look forward to witnessing their growth and success in the world of soccer and futsal.

Kind regards,

Ohio Soccer Moms and Dads

10 REASONS A SOCCER PLAYER SHOULD PLAY FUTSAL WITH CLUB OHIO NORTH

1

SKILL DEVELOPMENT

Futsal develops the same basic skills, tactics, and knowledge that can translate to the 11v11 outdoor game.

2

BALL TOUCHES

Studies show players touch the ball more than twice as much as the outdoor game and increase their confidence with the ball at their feet.

3

BALL CONTROL

With limited space, pressure from the opponent, and court boundaries, ball control skills and techniques push the player to improve.

4

SPEED OF PLAY

The increased speed of play encourages quicker decision-making. The four second restart rule forces the athlete to think and play faster.

5

SUPPORTING PLAY

Players learn how to read the game and make supporting runs when their teammates have the ball.

6

NON-STOP PLAY

The game is continuous, so players must stay engaged instead of stopping and watching. Constant movement improves conditioning.

7

KNOWLEDGE

With only five players and non-stop action, players see more of the game and their understanding is enhanced.

8

IMPROVED SHOOTING

The goal and penalty area create a narrow angle that encourages players to shoot accurately to score goals.

9

GAME IQ

FIFA's futsal laws of the game encourage learning to rely on skill and tactics rather than physical play by punishing all contact.

10

FUN

Players enjoy the the challenge of skill-oriented game with fast-paced play to test their skills and abilities.

CENTRAL OHIO'S BEST FUTSAL LEAGUE

Games and SECFL Advantage: Futsal Games will be played 5v5 on full size basketball courts with a regulation size futsal goal that will require a goalkeeper. A weighted futsal ball is used keeping the ball on the ground resulting in the use of more foot skills. The small court, faster surface and futsal ball has been proven to allow players almost twice as many touches as traditional indoor soccer. The court also demands that players have a better first touch and requires players to make quicker decisions. All of this results in a more technically sound and tactically aware soccer player!

Player Registration: Players will register as individuals, in their current age group, and each week they will be placed on a different team. SECFL is open to all players (U7 through High School) regardless of club, league or school affiliation. Individual players will get points based on how well their team does in comparison to other teams in their division on that match day. At the end of the season individual players who finish 1st, 2nd and 3rd place in their division will be awarded medals. This format allows players to compete as individuals within the concept of team play and promotes competition between teams and players each match day!

ONE SESSION ONLY, 10 Games total: Games expected to be played on the following Saturdays (8am-5pm):

Nov 11, 18, 25, Dec 2, 9, 16, 30, Jan 6, 13, 20

The Heart & Sole Futsal coaching staff is an excellent group of certified futsal coaches from around the world.

Our programs don't solely hope to help develop good players; we strive to help develop positive habits beyond the court. We will set expectations and challenging objectives for players to achieve. We teach children how to be composed, exude positivity, and create an environment that allows children to express themselves, all while having fun. Those who are passionate about improving will develop quickly and have the opportunity to move into the ELITE and ACADEMY programs.

Additionally, players have the unique opportunity to be directly connected to the US Youth Futsal (USYF) ID Program Regional & National Championships, and exposed to the US National Futsal Team.
