

Dear Ohio Soccer Moms and Dads,

Welcome to the 2024 Ohio Soccer Moms and Dads Tryout Guide!

As another exciting tryout season approaches, we are thrilled to present to you the ultimate resource for navigating the Club Soccer Tryout Season in Ohio. Whether you're a seasoned soccer parent or embarking on this journey for the first time, our guide is designed to show you the options available to you this season. There are clubs and programs for ALL PLAYERS regardless of their experience, your price point or location. There is a program out there for your family.

This year, we are proud to feature tryout listings from over 70 clubs across Ohio, offering opportunities for players from nearly every corner of the state. Additionally, we're excited to announce the inclusion of programs from Northern Kentucky, broadening our reach and providing even more options for families in the region.

Our commitment to inclusivity means that if you don't see your club represented, we encourage you to reach out to us. Participation in our guide is FREE. We are dedicated to ensuring that all clubs have the chance to be included in our guide, fostering a comprehensive and supportive soccer community.

None of this would be possible without the generous support of our OSMD Insiders, whose sponsorship and advertisements throughout the guide enable us to deliver valuable content to Ohio's soccer parents. We extend our heartfelt gratitude to each and every one of you for making this project possible.

To all the players and families gearing up for tryouts, we wish you the best of luck. May this season be filled with growth, teamwork, and unforgettable memories.

Yours in Soccer,

Jennifer Dunaway

Club Ohio East Tryouts

At Club Ohio East, our focus is on playing at the highest level in local leagues, which means reducing travel and expenses. We want to keep your child playing closer to home, which not only saves you money, but also reduces the time and stress of traveling long distances. For our U8-U9 players, we offer 10 games per season, while our U10-U12 players will have 12-14 games per season. We believe that this provides the perfect balance between competition and development, allowing your child to gain valuable game experience while still having time to work on their skills in training.

Our goal is to have our players on the field more than in the car. We believe that by focusing on local competition and quality training, we can help your child reach their full potential without sacrificing their time or your family's budget. Join us today and experience the Club Ohio East difference.

Location will be at PASA in Pickerington, Ohio, 630 Hill Rd N Pickerington, OH 43147.
